

It's OK (Please Just Say): Song and Video Project

Step 2

1. Learn to Sing the Song

Rehearse the song by singing out loud if appropriate, or internalising (singing in your head) the words.

Use the lyrics and chord parts if you have any students who can play the ukulele.

2. Signed Song

Watch the signed video all the way through before joining in. This is the main activity for this step.

Ideally you will be able to sign the complete song by the end of the lesson. However, if necessary focus on the chorus 'It's OK if you're not feeling OK...' first, adding in the verses and bridge section over the next sessions.

3. Watch the It's OK (Please Just Say) Video

Wearing your own sock puppets join in. How does using the puppets affect everyone's mood and atmosphere?

Discuss your own video. Will this be a recording of your performance or are you going to do something else?
